

Rural Municipality of Mount Stewart Snow Removal Tender - 2025-2026 Winter Season

The Rural Municipality of Mount Stewart is now accepting letters of interest for snow plow operator for snow removal and salting for all community properties for the 2025-26 Winter Season. The operator will be expected to use the municipal tractor (Front end loader bucket and 64" blower. Tractor is a 4x4 25Hp Kubota with a heated cab). Fuel and maintenance costs are covered by the municipality. Remuneration will be an hourly rate up to \$25.00 commensurate with experience.

These properties include:

- Hillsborough River Eco-Centre parking lot, walkways, entrances/emergency exits including to electrical room
- Mount Stewart Community Complex:
 - Bay doors, front parking lot, accessible parking spaces, wheelchair access door
 - Main parking lot
 - Walkways, steps, entrances, emergency exits
- Sewer lagoon access road and area
- Active Transportation Trail sidewalk from MacEachern Drive to Mount Stewart Consolidated School

Additional sidewalk clearing may be required.

Qualified candidates will be asked to provide a driver's abstract (available at AccessPEI; the Municipality will reimburse this expense). Your letter of interest should include any previous experience and confirm your availability throughout the winter season. Please submit your letter of interest on or before 4:00 pm November 4th 2025 to either:
